

DRAIN CARE *Solutions*

- Soy-based formula that effectively eliminates grease buildup
- Non-caustic, non-acidic and non-corrosive
- Fragrance-free

CARE FOR WORK ENVIRONMENTS®

DISSOLVES GREASE

GATOR'S natural soy-based formula quickly dissolves grease and eliminates drain clogging buildup. The water emulsifiable formula keeps lines free-flowing, eliminating costly maintenance problems. GATOR mixes with water for a quick flush.

SAFE TO HANDLE

GATOR has no explosive blowbacks and won't burn the skin. In fact, GATOR causes less skin irritation than a 4% soap and water solution. GATOR is safer to handle than caustics or acids and has a high flashpoint (greater than 300°F), which further reduces workplace hazards.

APPLICATIONS

Preventative Drain Maintenance: Prevent grease and slime buildup in your drains, pipes, and grease traps.

NON-CAUSTIC, NON-ACID and NON-CORROSIVE

GATOR eliminates deterioration caused by excess heat as well as corrosion generated by acid or alkaline drain products making it safe to use on metal pipes.

AUTHORIZATION

Gator is NSF approved for categories A8 and L1 and is a USDA certified Bio-Based product.

TECHNICAL DATA

APPEARANCE: colorless to straw colored liquid

ODOR: fragrance-free

WEIGHT PER GALLON: Approximately 7.4 lbs/gal

FLASHPOINT: greater than 300°F

BIODEGRADABLE SOLVENT: yes
