Avance Warewashing Solutions®

FRYER TABS

CONCENTRATED FRYER CLEANER TABLET

Avance Fryer Tabs are a heavy duty detergent formulated to meet the toughest cleaning jobs. Avance Fryer Tabs have excellent cleaning capacity and a high soil, fat and grease tolerance. Avance Fryer Tabs last longer than ordinary cleaners, making them highly economical.

Use Fryer Tabs to clean: Gas and Electric Fryers, Countertop Fryers and Pressure Cookers.

Clean fryers extend oil life, reduce energy costs and save money.

DIRECTIONS FOR USE:

1. Wear protective rubber gloves and safety glasses.
2. Drain oil and remove from fryer area.
3. Fill frypot with water to top fill line.
4. Add Avance Fryer Tab(s).
5. Set fryer to Boil Out mode, or 220°F (104.4°C). Boiling at higher temperatures will cause overflow.
6. Boil for 15 minutes.
7. Turn off heat.
8. Drain Boil Out water from frypot.
9. Prepare a vinegar/water solution (1 cup white vinegar to 1 gallon of water). Thoroughly rinse all frypot surfaces, baskets and accessories with the vinegar solution.
10. Completely wipe frypot surfaces, baskets and accessories dry to avoid contamination.
11. Return oil to frypot for filtering or refill the frypot with fresh oil.

TO CLEAN FRY BASKETS AND FRYER ACCESSORIES: PLACE THEM IN THE FRYER POT DURING BOIL OUT.

TECHNICAL DATA:

APPEARANCE: off-white tablets

ODOR: mild

SOLUBILITY IN WATER: 100%

pH: 13
