CARE FOR WORK ENVIRONMENTS®

Ecolution® ODOR REMOVER - Crisp Linen

ODOR NEUTRALIZER CERTIFIED GREEN

ODOR REMOVING POWER

Ecolution® Odor Remover-Crisp Linen contains the patented SE-500® odor neutralizing additive that removes even the most foul odors. This additive encapsulates odor-causing molecules and neutralizes them to effectively eliminate and remove malodors rather than just masking them; leaving behind a pleasant, Crisp Linen fragrance.

SUPER-CONCENTRATED AND ECONOMICAL

Ecolution Odor Remover-Crisp Linen is super-concentrated for economy. Simply dilute with water and apply through a spray bottle or fogging system for a cost-effective odor remover. Compared to traditional ready-to-use deodorizers and masking agents, Ecolution Odor Remover is extremely cost-effective.

ENVIRONMENTALLY PREFERRED

Ecolution Odor Remover-Crisp Linen utilizes the latest technology in green chemistry. All of its ingredients have been screened by the U.S. EPA for their safety and environmental preferability. This concentrated formula is one of the first of its kind in the industry and offers safety, sustainability, but most importantly, performance.

DIRECTIONS FOR USE:

Ecolution Odor Remover Crisp Linen can be diluted to meet your specific needs. The One Solution™ dispensers assure accurate dispensing for optimum cost control, product performance, and worker safety.

For General Odor Control: Dilute eight ounces (1:16) Ecolution Odor Remover - Crisp Linen to one gallon of cold tap water. Apply through spray bottle or fogging system.

For Heavy Odors: Dilute up to 16 ounces (1:8) Ecolution Odor Remover - Crisp Linen to one gallon of cold tap water. Apply through spray bottle or fogging system.

Use product in accordance with prescribed use dilutions displayed on product label. Dispose of unused product in accordance with Federal, State and Local regulations. Recycle empty containers.

NOTE: Before using on fabrics, carpets, or upholstery, test on inconspicuous area.

TECHNICAL DATA:

APPEARANCE: clear, light yellow liquid

MALODOR SUPPRESSANT PROPERTIES: contains a proprietary malodor counteractant

FRAGRANCE: Crisp Linen

STORAGE LIFE: 2 years

WEIGHT PER GALLON: 8.41

pH: 7.5 (at use dilution)

PACKAGING

126167	20 GL Drum
126148	5 GL Pail
124819	1 GL Bottle/CS4
124818	1 GL Bottle
127929	1 GL Bottle/CS2 with Fogmaster Jr
