

CARPET & UPHOLSTERY *Solutions*

- Penetrates, softens and removes even the toughest stains
- Patented SE-500 odor neutralizer controls odors
- Unique downward-spray valve allows user to accurately target the stain while standing

CARE FOR WORK ENVIRONMENTS®

FAST, EFFECTIVE STAIN REMOVAL

The special formulation of cleaners and degreasers enables PILE DRIVER to quickly and effectively remove the toughest stains. PILE DRIVER's blast-action spray penetrates immediately into the carpet fibers to soften and remove embedded soils and stains. It also destroys odors with a pleasant, fresh scent and the patented SE-500™ odor neutralizer.

PILE DRIVER's unique upside-down valve allows the user target the stain while standing up instead of having to crouch down.

Effective Against:

- Grease
- Mud
- Mustard
- Tea
- Blood*
- Dirt
- Ink
- Vomit
- Soft drinks
- Oil
- Ketchup
- Coffee
- Alcoholic beverages

*Wear appropriate personal protective equipment and follow appropriate procedures to prevent transmittance of blood-borne pathogens. This product does not sterilize or sanitize.

DIRECTIONS FOR USE

Please review label and SDS for all product directions, precautions and first aid information.

1. Shake can well before using. Remove the protective cap.
2. Hold the can upside-down (PILE DRIVER sprays upside-down only) at arms length.
3. Point the dispenser nozzle towards the stain on the carpet.
4. Depress the activator button and apply PILE DRIVER in short bursts until the stain is saturated.
5. Allow PILE DRIVER to work into the carpet fibers, then agitate with a heavy cloth or brush. In a few seconds, the stain or spot will be gone.

NOTE: Additional applications may be necessary in the case of excessive grease, oil or ink stains. Allow the initial application to dry completely in order to determine if additional applications are necessary.

USE PRECAUTIONS

PILE DRIVER is safe on most carpets. However, all carpets should be tested for colorfastness prior to application. To do so, apply PILE DRIVER to an inconspicuous area of the carpet. If any discoloring occurs, DO NOT APPLY. Care should be taken when applied to white or very light colored carpets. Oversaturation may cause discoloring. Excessive use of the product may penetrate to the carpet's backing and cause spotting. If oversaturation occurs, immediately blot up the product until the area is completely dry. If the can is cold, the product may foam. This will not affect the performance of the product.

TECHNICAL DATA

- APPEARANCE:** clear aerosol spray
- FRAGRANCE:** Morning Fresh™ and Coastal Dreams™
- NET CONTENTS:** 18 oz. (511 g)
- SHELF LIFE:** minimum one year

PACKAGING

Morning Fresh™	
121714-12	18 OZ Aerosol/CS12
121714-24	18 OZ Aerosol/CS24

Coastal Dreams™	
127708-12	18 OZ Aerosol/CS12
127708-24	18 OZ Aerosol/CS24
