CARE FOR WORK ENVIRONMENTS[®]

HS-1000

Homestyle Single Pump

TOOL-FREE INSTALLATION

The casing features integrated front keys and a robust hinge, allowing the box to be opened without tools, enabling an easy installation.

EXACT DOSING

The HS-1000 Pump can program set dosages and it includes a lock-out feature to ensure machines are getting the proper dosages.

SAFE AND RAPID MAINTENANCE

The edgeless squeeze rollers make tube replacement faster and safer by avoiding injuries and reducing the replacement time.
