- Unique odor-capping formula is poured into urinal cartridge to form an effective odor shield
- Safe for nearly all waterless urinal models
- Convenient pint-size bottle provides easy application

CARE FOR WORK ENVIRONMENTS®

Urinal Shield™

Waterless-Urinal Trap Sealant

SHIELD AWAY URINAL ODORS

Protect the investment in your waterless urinals with Urinal Shield™ Waterless-Urinal Trap Sealant. Simply fill the urinal cartridge with 3-4 oz. of Urinal Shield to create an effective sealant from nasty urine odors.

To safely clean the urinal without harming the sealant or cartridge, use SHARK™ or our Green Seal® Certified Ecolution® Pro Bath & Bowl Cleaner.

DIRECTIONS FOR USE:

For use in waterless urinal traps only. Follow manufacturer's use instructions.

1. Add Urinal Shield Trap Sealant according to urinal manufacturer's recommendations. Typically 3-4 oz. per trap.
2. If strong odors are present, it usually indicates low level of Urinal Shield.
3. Use State SHARK to clean bowl. This will not affect Urinal Shield.

TECHNICAL DATA:

APPEARANCE: green liquid

ODOR: lemon-lime

SPECIFIC GRAVITY: 0.918

POUR POINT: 15°F (ASTM D97)
