

INDUSTRIAL LUBRICANT *Solutions*

INVISI LUBE® HEAVY DUTY CLEAR AEROSOL GREASE

- Dries clear so it will not stain surfaces
- Sprays as liquid to penetrate then becomes viscous
- Clings to vertical and overhead surfaces

CARE FOR WORK ENVIRONMENTS®

INVISI LUBE®

HEAVY DUTY CLEAR AEROSOL GREASE

CLEAR AND NON-STAINING

Designed for those specific applications where a clear lubricant is necessary, such as door hinges or exercise equipment. No unsightly color that could stain.

CONTAINS LIQUI-SET

Liqui-set enables Invisilube to spray out as a liquid and penetrate deeply into hard-to-reach areas on machinery and equipment. The Liqui-Set then sets up, making Invisilube a highly viscous, water resistant, lubricant.

EASY TO USE

Invisilube saves time because it is a complete lubricating system in an aerosol form, eliminating the need for grease guns and pumps. Its water resistance and corrosion prevention properties make it an ideal fit that's easy to use.

CLINGS TO VERTICAL SURFACES

Once it sets up, Invisilube doesn't drip or run off. No mess, no waste!

CONTAINS PTFE

Invisilube features PTFE—one of the most viscous substances on the market—as one of its ingredients.

*PTFE is an inert polymer related to Teflon, a registered trademark of E.I. duPont de Nemours and Company.

DIRECTIONS FOR USE:

Shake well. Saturate area to be lubricated and allow solvent to evaporate. An extension tube can be used for hard-to-reach areas.

Please review label and SDS for all product directions, precautions and first aid information

TECHNICAL DATA:

APPEARANCE: clear liquid transforming to colorless gel

ODOR: petroleum

GREASE STABILITY: film stable up to 400°F (204°C)

FILM FORMATION: sets up in minutes

TEMPERATURE RANGE: -30°F to 400°F (-34°C - 204°C)

SPECIFIC GRAVITY: 0.72

SHELF LIFE: two years
