

# FOOD PREPARATION *Solutions*

## Avance Warewashing Solutions® **CHLORINATED CLEANER**

- Strong, bleach-enhanced cleaner
- Whitens and destains food preparation areas, including butcher blocks
- Ready-to-use; ideal formula for spot cleaning

YOUR CLEAR RESULTS PARTNER®

# Avance Warewashing Solutions® CHLORINATED CLEANER

## COMBINATION CLEANING POWER

Avance™ Chlorinated Cleaner's concentrated formula contains sodium hypochlorite to provide quick cleaning action, de-stain white, plastic cutting boards, counter tops and more. Combined with high alkalinity, it provides tremendous cleaning and degreasing power. Avance Chlorinated Cleaner will quickly emulsify and help remove fats, oils and grease. No insoluble residue is left behind.

## SAFE ON MOST SURFACES

When used as directed, Avance Chlorinated Cleaner is safe to use on aluminum, galvanized and stainless steel surfaces. Prolonged contact may discolor metal trim, laminated countertops and some porcelain. Use caution on painted surfaces. Do not use on carpeting or fabrics.

## MANY USES

Avance Chlorinated Cleaner can be used to clean heavy grease build-up on walls, floors, food processing equipment and more. Use it to soak utensils, filters and food processing equipment parts for a thorough cleaning.

## DIRECTIONS FOR USE

Ready-to-use. Spray on and wipe with a clean cloth or paper towel. Note: Use caution on painted surfaces. Test in inconspicuous area first. Do not use on carpeting or fabrics.
