- Concentrated degreaser
- Can be diluted to meet your specific needs
- Removes stubborn grease and grime
- For use on range hoods, canopies, exhaust fans, deep fryers, ovens and any surface subject to carbonized grease build up

**DSSI#6869861**

## **TOUGH CLEANER**

Avance<sup>™</sup> Grease Cutter is specially formulated to act on contact to attack dirt and grease, saponifying it and converting it to a rinsable consistency. Then, residues are easily rinsed with water.

## **USE IN FOOD AREAS**

Avance<sup>™</sup> Grease Cutter is particularly effective in eliminating animal and vegetable fats which commonly accumulate in food preparation areas, contributing to unsanitary conditions as well as slip hazards.

## **HEAVY-DUTY CLEANING**

For heavy duty cleaning, apply a strong solution of Avance<sup>™</sup> Grease Cutter. Allow the emulsification action to work. Rinse off with water.

# Grease Cutter

## directions

**Heavy cleaning:** Mix 1:1 (64 oz. per gallon) with cool water. **Moderate cleaning:** Mix 1:3 (32 oz. per gallon) with cool water. **Light duty cleaning:** Mix 1:7 (16 oz. per gallon) with cool water.

Use on warm surfaces (100° F - 150° F) Allow to penetrate for 5 - 15 minutes depending on degree of buildup. Rinse with wet sponge to remove soil residue.

## technical data

**Appearance:** Peach to Orange

**pH:** >13.5

**Density:** 9.1 lbs./gallon
