State® Ready Clean™

Cleaner Degreaser

TOUGH DEGREASER

ReadyClean Cleaner Degreaser is specially formulated to pinpoint and eliminate stubborn accumulations of grease and soil, emulsifying them into an easy-to-rinse consistency. Its unique formula can tackle any cleaning or degreasing task and is ideal for use on walls, countertops, floors and heavily soiled equipment.

CONVENIENT, READY-TO-USE FORMULA

ReadyClean Cleaner Degreaser requires no additional chemicals or hand mixing, making it a great product to store on any maintenance vehicle for quick, on the spot cleaning.

SAFE AND EFFECTIVE

The neutral pH formula of ReadyClean Cleaner Degreaser is non-corrosive and non-flammable, allowing it to be certified through EPA's Safer Choice program. Its ability to deliver powerful, yet safe cleaning makes it one of the safest degreasers on the market.

DIRECTIONS FOR USE

Hold sprayer 8 to 10 inches away from soiled surface. Spray on and allow to penetrate. For heavily soiled areas, apply a second spray. Wipe debris away with clean, damp sponge or cloth. To avoid streaking, clean walls and large appliances from bottom to top. For best results, agitation with brush or scrubbing pad is recommended.

NOTE: ReadyClean Cleaner Degreaser may attack pre-painted surfaces, especially surfaces with a latex paint coating. Test in an inconspicuous area before using.

Please review the label and SDS on StateIndustrial.com for all product directions, precautions and first aid information.

TECHNICAL DATA

APPEARANCE: clear

ODOR: citrus

pH: 7

SHELF LIFE: two years
