### PENETRATES AND DEODORIZES

Re-Fresh™ Carpet Deodorizer is specifically formulated to effectively and efficiently absorb odors and refresh carpets, rugs and upholstery. The unique dry, crystalline formulation allows Re-Fresh to penetrate carpet fibers and eliminate odors.

### UNIQUE FORMULATION

Crystals mean no powder residue left on the carpet and anti-static properties also help to repel dirt and eliminate static electricity. There's no airborne dust to cloud the room or powder to clog vacuum cleaner bags. Re-Fresh is safe on all carpets.
