

GENERAL CLEANING *Solutions*

DIRT & GRIME ERASER

- Gets into grooves where dirt and grime are trapped
- No chemicals needed—only water needed
- Yellow grip prolongs use and improves performance

CARE FOR WORK ENVIRONMENTS®

DIRT & GRIME ERASER

QUICKLY ERASE DIRT AND GRIME

Shazam is a soft scouring pad that acts just like an eraser, wearing away as you use it until nothing is left. Made of melamine, an innovative cleaning material, Shazam gets into grooves where dirt and grime are trapped. You'll be amazed how easily Shazam lifts away tough dirt and scuff marks. And it does all this with just water alone. It's simple and easy to use—no fumes, gloves, buckets, or chemicals are required.

PERFECT FOR USE ON

- Permanent marker
- Crayon
- Wine
- Food color
- Nicotine spots
- Tar
- Soap scum
- Paint transfer
- Food stains
- Surface stains
- Ink
- Pencil
- Coffee
- Grape juice
- Rust spots
- Scuff marks
- Mold and mildew
- Dirt and grime
- Wood stain
- And more!

DIRECTIONS USE:

First, wet Shazam with water, and then squeeze out the excess. It should be a little damp for use. Remember, this is an eraser and not a sponge. Excess water is squeezed out so that it doesn't end up on other surfaces.

Next, gently rub Shazam across stubborn stains and marks and watch them disappear!

For best results, follow with a dry cloth.

NOTE: Test on a small area before applying to entire surface. Do not swallow or eat. Keep away from infants and children. Caution when applying to painted or finished surfaces as dulling may result.
