CARE FOR WORK ENVIRONMENTS®

# Shower N Go™

## CLEANS, MOISTURIZES AND CONDITIONS

Shower N Go Hair and Body Shampoo is formulated with sensitive skin in mind. It uses a mild surfactant system that won't irritate or dry out skin. It is powerful enough to produce plenty of suds to easily remove dirt, sweat and grime. The formula also contains skin and hair conditioners to give a soft, silky feel.

## RICH, FRESH LATHER

Shower N Go was designed to provide a thick, rich lather and feel. Its fresh and clean scent invigorates your senses, leaving you feeling refreshed for longer.

## THE ULTIMATE SHOWER EXPERIENCE

Shower N Go eliminates the need for messy bar soaps, which often transfer bacteria and germs between users. This creates a safer, more sanitary shower experience.

## CONVENIENT DISPENSING

Shower N Go works great with State's convenient wall-mounted dispensing unit, the Soap Factory® Pro.

## PERFECT FOR USE IN:

- Fire stations
- Fitness and recreational centers
- Locker rooms
- Healthcare facilities
- Much more

## DIRECTIONS FOR USE

For Skin: Use with water. Dispense an ample amount of product on skin. Rub to create a lather. Rinse thoroughly with clean water.  
For Hair: Dispense a dime size amount into hand. Rub into hair. Rinse thoroughly with clean water.

Please review the label and SDS on [stateindustrial.com](http://stateindustrial.com) for all product directions, precautions and first aid information.
